10 DANIEL HOPKINS,

12 v.

14 CORPORATION,

CASE NO. C18-1723 MJP

ORDER DENYING STIPULATED
MOTION TO CONTINUE TRIAL
DATES

17 The Court, having received and reviewed the Stipulated Motion to Continue the Trial
18 Date and Pretrial Deadlines (Dkt. No. 25), finds that the motion fails to provide an adequate
19 explanation as to why the existing case deadlines cannot be met. The Parties have failed to
20 describe any conflict with the existing dates, provide information about when those conflicts
21 arose, or why the conflicts were not brought to the Court's attention when the trial date was set.
22 The Parties have therefore failed to show good cause to amend the case schedule, and the Court
23 declines to make amendments on this record.
24

Therefore, IT IS ORDERED that the request to amend the existing case schedule is DENIED without prejudice to bring a renewed motion which cures the defects noted above and outlines a plan for meeting the revised deadlines.

The clerk is ordered to provide copies of this order to all counsel.

Dated December 19, 2019.
